

KUMUSHA

Kumusha in the Zimbabwean Shona language translates to 'your home', 'your roots' or 'your origin'.

Through a collaborative process where I respect the vine, the winemaker and the consumer, I try to build a brand of wines that represent and honour their roots.

CABERNET SAUVIGNON 2025

TASTING NOTES

This Cabernet Sauvignon shows beautiful red berry fruit flavors. The aim is to produce an attractive nose that lures you in and then over-deliver on the palate where drinkability is key. Classic Cab meets smashable drinkability.

WINEMAKING

The aim with our Cabernet Sauvignon is to make an expression of the grape, pure red fruit flavors on the nose and to back that up with complexity and density on the palate. This is the best vintage yet. The excitement is that the density was obtained without sacrificing elegance and that is something the market will appreciate.
