

KUMUSHA

Kumusha in the Zimbabwean Shona language translates to 'your home', 'your roots' or 'your origin'. Through a collaborative process where I respect the vine, the winemaker and the consumer, I try to build a brand of wines that represent and honour their roots.

CINSAULT ROSÉ 2025

TASTING NOTES

Aromas of bright red fruit with cherry and strawberry flavors showing off. Notes of subtle floral and dry spice adding character. A vibrant and harmonious wine best enjoyed with a meal to reveal all of its expressions.

WINEMAKING

The 2024 vintage was one of the shortest and ended the soonest in recent times. The Cinsault benefited from this in that the accumulation of highly concentrated fruit flavors happened rapidly and we were able to capture that by picking at the optimal time. The result is bags of freshness in the wine and loads of bright and pure summer fruit flavors.
